**Question 33:**　　　Adjust Text Size: ＋ − R

Which of the following statements are correct, given the JavaScript code snippet below?

```
function Parent(newName, newAge, newStatus) {
    var age = newAge;
    var status = newStatus;
    this.name = newName;
    this.getAge = function() { return age; };
}
Parent.prototype.getStatus = function () { return this.status; };
Parent.prototype.getName = function () { return this.name; };
Parent.prototype.sayHello = function () {
    alert("My name is " + this.getName());
    alert("My age is " + this.getAge());
    alert("I am " + this.getStatus());
};

var p1 = new Parent("Sam", 23, "single");
p1.age = 24;
p1.name = "Peter";
p1.sayHello();
```

☐ A.　The text on the first alert box is:
　　　"My name is Peter"

☐ B.　The text on the second alert box is:
　　　"My age is 24"

☐ C.　The text on the second alert box is:
　　　"My age is 23"

☐ D.　The text on the third alert box is:
　　　"I am undefined"

☐ E.　The text on the third alert box is:
　　　"I am single"
